

## Arize Motion Sensor (AMS110)

### Product Specification

|                              |                          |
|------------------------------|--------------------------|
| Protocol                     | Zigbee Green Power       |
| Sensor Type                  | Infrared Pyrolysis Probe |
| LED Indicators               | Red                      |
| Pairing/Reset Button         | Yes                      |
| Detection Angle (Vertical)   | Cone (35°)               |
| Detection Angle (Horizontal) | Cone (80°)               |
| Pet Immune                   | Yes < 80lbs              |
| Communication Distance       | 150m                     |
| Transmission Distance        | 30m Indoors              |
| Human Sensing Distance       | 5m                       |
| Battery Type                 | (2) AAA, 1.5V            |
| Battery Life                 | 3 Years                  |
| Low Power Alarm              | Yes                      |
| OTA                          | Yes                      |
| Working Temperature          | 32°F-104°F               |
| Relative Humidity            | 10%-85%                  |
| Warranty                     | 1 Year                   |
